

**JESUS CHRIST**  
POWER WORLD  
EVANGELISM

“And this gospel of the Kingdom will be preached in all the world as a witness to all the nations, and then the end will come.”  
(Matthew 24:14, NKJV)

# BELOVED,

I want to personally invite you to be a part of this ministry. Jesus Christ Power World Evangelism (JCPWE) an International Evangelistic Ministry is a family of the people of God with a special joy in winning souls for the kingdom of our Lord Jesus Christ with the Cross and Christ always pre-eminent.

We received this mandate from the Lord:

**“Go, now and win souls into my Kingdom, taking the Gospel of Salvation, love and power to every corner of the earth, heal the sick and set those who are in spiritual captivity free prophesy my goodness and mercies into the lives of people, that they should have their cherished desires, excellence of life and happiness”.**

Time is short!

The Lord reminds us again to go quickly and intercept many souls that are rushing into eternal hell. There is no alternative plan to achieve this except through total Gospel campaign, power “Evangelism by fire” and practical demonstration of the power and love of Jesus Christ.

Jesus Christ Power World Evangelism has taken this command of our Lord Jesus Christ with articulated commitment because of the wonderful guarantee that Jesus never fails, since He has promised that if we go as He commands, He goes with us and He rewards our obedience.

Moreso, the practical demonstration of His faithfulness has been manifested in our Power crusade, Church Leaders / Youth Conferences, Revival Meetings, Humanitarian service with mighty works of MIRACLES, SIGNS AND WONDERS: extending the saving and healing Power of Jesus Christ to all nations.

***“How can they hear the Gospel of salvation, love and Power of Jesus Christ except they are told” (Romans 10:14).***
